I've received a wonderful education and even excelled enough with the help of my kindergarten teacher to skip 1st grade and go into 2nd.I have since graduated Hope, and I attend Legacy High School, AKA the high school for Hope. I continue to receive an incredible education, and I have a lot of pride in my school. - Posted by Student/Alumni - Legacy High Student 5/2/14/2015My child has been going to the Hope Charter school for over 6 years now. The teachers embrace parents feedback while the academic curriculum is above average. - Posted by Parent - maryb 5/12/6/2014The staff at the Hope Charter School does a great job balancing supporting a child though a problem but also challenging the child to excel. Success is an expectation for every student. - Posted by Parent - karisReview Hope Charter. Reviews should be a few sentences in length. Please include any comments on:Quality of academic programs, teachers, and facilitiesAvailability of music, art, sports and other extracurricular activities Hope Charter School is a highly rated, public, charter school located in OCOEE, FL. It has 434 students in grades K-8 with a student-teacher ratio of 15 to 1. According to state test scores, 86% of students are at least proficient in math and 77% in reading.Niche ranks nearly 100,000 schools and districts based on statistics and millions of opinions from students and parents.Percent Proficient - ReadingThis is the percentage of students that scored at or above proficiency levels on their state math assessment test. Because states implement these tests differently, use caution when comparing this data to data from another state.Percent Proficient - MathThis is the percentage of students that scored at or above proficiency levels on their state math assessment test. Because states implement these tests differently, use caution when comparing this data to data from another state.Note: School map boundaries may have changed for the current school year so please contact your school district to verify school assignment for your child.View Homes Near Hope Charter SchoolBased on racial and economic diversity and survey responses on school culture and diversity from students and parents.We don't have enough responses to know if students and parents agree that students at this school are competitive.Take our surveyWe don't have enough responses to know if students and parents agree that students at this school are creative and artsy.Take our surveyWe don't have enough responses to know if students and parents agree that students at this school are athletic.Take our surveyStudent-Teacher RatioStudent-Teacher Ratio may not be indicative of class size. It is calculated using the reported number of students and full-time equivalent teachers.Average Teacher SalaryAverage salary for all teachers within the district.Teachers in First/Second YearWe don't have enough responses to know if students and parents agree that the teachers give engaging lessons.Take our surveyWe don't have enough responses to know if students and parents agree that the teachers genuinely care about the students.Take our surveyWe don't have enough responses to know if students and parents agree that the teachers adequately lead and control the classroom.Take our surveyTake our survey to add your reviewReview Hope Charter School CC0-BY/greymatters/pixabay Your child's education is one of the greatest investments you will ever make. Choosing the right school will help your child through their high school years, but how do you choose the 'right' school? There are so many things to consider, and it seems wherever you look you will find someone claiming to be the 'best'. There are multiple lists published every year ranking schools on a wide range of criteria, including academic or sporting performance, college acceptance rates, student satisfaction and teacher/student ratio. So which list is right and how do you decide the best school for your child? Several of these lists have been compared and below you will find the public high schools which feature consistently across them all. Thomas Jefferson High School for Science and TechnologyThomas Jefferson High School for Science and Technology (TJHSST) regularly features strongly in many lists of top schools. In fact, this school was the only one named in all lists compared for this article. Location: Alexandria, VirginiaGraduation Rate: 99%Reading Proficiency: 99%Math Proficiency: 99%Student Population: < 2,000Student to Teacher Ratio: 17:1College Readiness Index: 100%Gwinnett School of Mathematics, Science and TechnologyWhile Gwinnett School of Mathematics, Science and Technology was only founded in 2007, it has quickly gained a reputation as a quality school, regularly ranking highly across a number of categories.Location: Lawrenceville, GeorgiaGraduation Rate: 95%Reading Proficiency: 97%Math Proficiency: 96%Student Population: < 1,000Student to Teacher Ratio: 17:1College Readiness Index: 98.9%BASIS Oro ValleyOpening in 2010, BASIS Oro Valley has quickly gained an enviable reputation as a quality school.
